Excellence in customer service and hospitality will be regarded as your core business objectives. Evidence of a training plan and commitment to the development of staff is vital. We're looking for businesses that have developed high quality facilities, services and activities specifically with all visitors to Anglesey in mind.

Make sure your answers include examples of innovative thinking and how you've succeeded in increasing the tourism season, if appropriate. And please make sure you send in as much supplementary information as possible when submitting your entry – examples of what to include can be found in the FAQs.
